

Project Aqua Product Specific Terms

Effective as of October 14, 2025.

These Product Specific Terms govern your use of Project Aqua and are incorporated by reference into the Adobe General Terms of Use (“**General Terms**”) located at <https://www.adobe.com/legal/terms.html>. Capitalized terms not defined here have the same meaning as defined in the General Terms.

1. Intended Use and Guidance.

1.1 Purpose and Age-Appropriate Use. Project Aqua is designed to encourage creativity through shared experiences between parents and children and may be used by individuals of all ages, including children under the age of 13 who may use Project Aqua’s child-directed portions (“**Child Users**”). Child Users may only access and use Project Aqua under the guidance of a parent or legal guardian (“**Guardian**”) and only through a Guardian’s Adobe account. Child Users are prohibited from creating or registering an Adobe account.

1.2 Guardian Role and Access Requirements for Children. Use of Project Aqua by a Child User is permitted only if the Guardian: (i) is at least 18 years of age and is authorized to supervise Child Users; (ii) has registered for an individual Adobe ID in accordance with the General Terms; (iii) has reviewed and acknowledged how Project Aqua collects and processes children’s data in the Project Aqua Children’s Privacy Notice described in Section 2; and (iv) agrees to manage the Child User’s access to and use of Project Aqua.

1.3 Guardian Involvement and Access. Adobe relies on Guardian involvement to help ensure Project Aqua is used appropriately. Guardians are expected to actively manage how Child Users interact with Project Aqua. If Project Aqua is being accessed or used in ways that do not align with its intended use, Adobe may restrict, suspend, or terminate access to Project Aqua in order to maintain a safe and responsible environment.

2. Project Aqua Children’s Privacy Notice. Use of Project Aqua is subject to an additional privacy notice that supplements the Adobe Privacy Policy located at <https://www.adobe.com/privacy/policy.html>. The Project Aqua Children’s Privacy Notice provides further details about how Adobe collects, uses, and protects personal information related to Child Users and complies with applicable children’s privacy laws. You may review the Project Aqua Children’s Privacy Notice at <https://www.adobe.com/privacy/project-aqua-childrens-privacy-notice.html> and within Project Aqua settings. Certain features, content, or communications within Project Aqua may be restricted or unavailable to Child Users to ensure age-appropriate experiences. These restrictions are automatically applied based on the settings within Project Aqua.
